How does it work?

Our delicious frozen yogurt in single serving portions is compliant with nutritional regulations for school snacks and its a snack that kids love! Cups are pre-filled, frozen and delivered to your organization for a low cost. You then merchandise and sell these cups to students for a healthy, exciting snack option!

What's included?

All orders include filled, labeled frozen yogurt cups, nutritional information and pricing posters. If needed, we can provide a chest freezer for merchandising these snacks.
